Management's Responsibility

To the Board of Big Brothers Big Sisters of Portage:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgements and estimates in accordance with Canadian accounting standards for not-for-profit organizations. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed entirely of Directors who are neither management nor employees of the Organization. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external accountants. The Board is also responsible for recommending the appointment of the Organization's external accountants.

MNP LLP is appointed by the Board to review the financial statements and report directly to them; their report follows. The external accountants have full and free access to, and meet periodically and separately with, both the Board and management to discuss their review engagement results.

Independent Practitioner's Review Engagement Report

To the Board of Big Brothers Big Sisters of Portage:

We have reviewed the accompanying financial statements of Big Brothers Big Sisters of Portage that comprise the statement of financial position as at December 31, 2019, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Basis for Qualified Conclusion

In common with many not-for-profit organizations, Big Brothers Big Sisters of Portage la Prairie, Inc. derives revenue from donations and fundraising activities, the completeness of which is not susceptible to us obtaining evidence we considered necessary for the purpose of the review. Accordingly, the evidence obtained of these revenues was limited to the amounts recorded in the records of Big Brothers Big Sisters of Portage la Prairie, Inc. Therefore, we were unable to determine whether any adjustments might have been found necessary with respect to donations revenue, fundraising revenue and cash for the year ended December 31, 2019. Our conclusion on the financial statements as at December 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Conclusion

Based on our review, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Portage as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Big Brothers Big Sisters of Portage

Notes to the Financial Statements

For the year ended December 31, 2019

(Unaudited)

1. Incorporation and nature of the organization

Big Brothers Big Sisters of Portage (the "Organization") is a non-profit organization incorporated without share capital under the laws of Manitoba. The Organization is involved in arranging and overseeing the matching of youth with big brothers and sisters to provide relationship and mentoring for a more complete life for these youth in and around the surrounding area of Portage la Prairie.

The Organization is a registered charity and, as such, is exempt from income tax and may issue income tax receipts to donors.

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada and include the following significant accounting policies:

Basis of accounting

These financial statements were prepared using the accrual basis of accounting. The accrual basis recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Cash

Cash includes balances with banks and short-term investments with maturities of three months or less.

Capital assets

Capital assets are not recorded on the statement of financial position. Expenditures for capital assets in the year are recorded as expenses and disclosed in the statement of operations and changes in net assets.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Grant revenue is recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fundraising and donation revenue is recognized as revenue when proceeds are received.

Interest income is recognized as revenue when it is earned.

Contributed services

Contributed services are not recognized in the financial statements because of the difficulty of determining their fair value.

Leases

All leases are accounted for as operating leases and rental payments are expensed as incurred.

Measurement uncertainty (use of estimates)

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenues and expenses in the periods in which they become known.

Big Brothers Big Sisters of Portage
Notes to the Financial Statements
For the year ended December 31, 2019
(Unaudited)

2. **Significant accounting policies** (Continued from previous page)

Financial instruments

The Organization recognizes its financial instruments when the Organization becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

At initial recognition, the Organization may irrevocably elect to subsequently measure any financial instrument at fair value. The Organization has not made such an election during the year.

The carrying values of financial assets measured at amortized cost or fair value, and of investments in equity instruments measured at cost less impairment are as follows:

	2019	2018
Financial assets measured at fair value:		
Cash	37,950	32,074
Financial assets measured at amortized cost:		
Accounts receivable	2,069	-

3. **Deferred contributions**

Deferred contributions consist of unspent contributions externally restricted for the Futures Unlimited post-secondary education and career readiness program from Big Brothers Big Sisters Canada. Prior year deferred contributions consist of unspent contributions externally restricted for facilitation services from the Portage Community Revitalization Corporation. Recognition of these amounts as revenue is deferred to periods when the specified expenditures are made. Changes in the deferred contribution balance are as follows:

	2019	2018
Balance, beginning of year	1,000	-
Amount received during the year	7,100	2,500
Less: Amount recognized as revenue during the year	(1,000)	(1,500)
	7,100	1,000

4. **Commitments**

The Organization has entered into a lease agreements with estimated minimum annual payments as follows:

2020	7,800
2021	7,800
2022	7,800

The Organization occupies leased premises subject to minimum monthly rent of \$650 until December 31, 2022.

5. **Financial instruments**

The Organization, as part of its operations, carries a number of financial instruments. It is management's opinion that the Organization is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

Big Brothers Big Sisters of Portage

Notes to the Financial Statements

For the year ended December 31, 2019

(Unaudited)

6. Subsequent event

Subsequent to year-end, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have of the Company as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
