## **“BIG” DUCK RACE – Official Rules and Regulations**

### **How it will run**

Each duck numbered has a corresponding ticket. When a person purchases a ticket that same number duck will be entered into the draw(race). Only the duck numbers sold will be entered into the draw(race).

On May 31 & June 15, all tickets that have been purchased will have an opportunity to win an early bird prize. These winners are still eligible to win the Duck Race. The numbers from the tickets will be placed in a box and a draw will be made.

July 1, the day of the BIG Duck race, all racing ducks are sent down the waterslide to a waiting area in the pool. At 6:30pm the lazy river is turned on and the barrier is released so the ducks can float down the lazy river. At the end of the lazy river is another barricade with an opening just large enough for a duck to get through. The first three ducks through are the winners.
